For over 40 years, The Community for Creative Non-Violence (CCNV) has championed Human Rights by ensuring that the rights of the homeless and poor are not infringed upon, and that every person has access to life's basic essentials – food, shelter, clothing and medical care.

As one of the largest publicly funded shelters in the country, The CCNV can house over 1,100 people on any given day. The CCNV advocates on behalf of the underserved and prepares homeless women and men to re-enter into mainstream society as skilled and productive citizens.

Join us in celebrating this venerable Washington, DC institution and one of the legendary homeless advocates – Mitch Snyder, on the 20th anniversary of his passing!

Come and Join the Celebration!

Vendor proceeds will be donated to the CCNV.
